√	Means in the scope of G-Mark	×	Means excluded from G MARK scope.
---	------------------------------	---	-----------------------------------

3.2.2 Energy Efficiency

To clear air conditioners shipments to Qatar, importer shall lodge the below documents to QGOSM the following documents ten days at least before the shipment:

- Application form for each model.
- IECEE CB certificate from IECEE CB scheme CBTL.
- Manufacturer declaration of conformity to QS SASO 2663 and correctness of the information.
- Copy of Commercial Registry and entity record.
- Test report from ISO 17025 accredited laboratory according to QS SASO 2663 standard.

At the port, the agent or the clearance agent shall provide:

- Declaration of conformity according to QS 2663.
- Certificate of Origin.
- Invoice
- Packing list
- Clearance permission issued by QGOSM after their review.

In addition to Air Conditioners, QGOSM has notified WTO about regulating the following products under Energy Efficiency Standards:

- Washing Machines
- Refrigerators and freezers
- Water Heaters.

The above 3 products are not yet finally regulated under the EER. However, you may contact SGS for further details.

The information contained herein is for the purpose of facilitating pre-shipment inspection and does not relieve exporters or importers from their obligation in respect of compliance with the import regulations of the country of importation. Although every effort has been made to ensure the correctness of the information, as at the date of issuance of this data sheet, SGS does not accept any responsibility for errors or omissions and, furthermore, the information may subsequently be subject to change as may be announced by the Authorities in the country of importation. Consequently, exporters and importers are advised to check with SGS, prior to shipment of the goods, if there is any doubt concerning the issuance of a Clean Report of Findings or any other Certificate. For further information, or clarification, please contact the SGS C&P-TFS Administrative Office in the country of inspection of the goods.
