

Your CPR certification, Brexit and CE marking/UKCA marking

SEPTEMBER 2020

To address the situation with the SGS certification of your products in the EU/UK from 1 January 2021 please indicate below what you require by ticking the appropriate box(es) and returning to SGS Brexit Coordinator Lindsay Campbell (Lindsay.Campbell@sgs.com).

A. I only sell my products in the EU and have already transferred my SGS NB CE marking certificate for CPR from the UK NB (No. 0120) to Portugal's NB (No. 1029)	
B. I only sell my products in the EU and now wish to transfer my SGS United Kingdom Limited (CE 0120) CE marking certificate for CPR to SGS Portugal (CE 1029)	
C. I only sell my products in the UK therefore I will need a UKCA marking certificate from SGS in due course (before the end of the undefined period)	
D. I sell my products in both the UK and the EU and need certificates valid for both CE marking and UKCA marking (before the end of the undefined period)	
E. I would like to discuss my options with SGS and request a call back
