INTEGRATED SOLUTIONS ACROSS THE TRAVEL AND HOSPITALITY SECTOR

We focus on providing you with comprehensive, integrated solutions for implementing, demonstrating and improving on a best-in-class hospitality experience.

SGS Hospitality Solutions address needs related to safety, sustainability, service and security.

We combine different methodologies, such as performance assessments, certification, testing, and training into a powerful solution.

SUSTAINABILITY

Sustainability has rapidly become a deciding factor when travellers choose service providers, destination and hotels. Environmental impacts such as the energy and water used and the approach taken to employee welfare, waste management, and integration with local communities all play a key role in influencing customer and stakeholder perceptions of brand value.

Our solutions allow you to realise operational savings from environmental stewardship and energy efficiency. Our Good Environmental Practices Scheme helps you benchmark sustainability commitments and maintain your brand reputation.
