

Personal Protective Equipment (PPE)

TESTING AND CERTIFICATION FROM SGS

[SGS.COM](https://www.sgs.com)

SGS

SGS offer CE, UKCA and UKNI certification services for Personal Protective Equipment (PPE) in line with all current PPE (EU) 2016/425 regulations and all current (UKCA) 2016/425 regulations. We work in collaboration with partner Notified Body SGS Fimko Oy, to ensure we provide the best comprehensive certification services for CE, UKCA and UKNI.

WHAT WE OFFER

- Certification of New Products
- Renewal of existing certificates
- Updates to include variants/changes
- Own Branding Certification

HOW IT WORKS

- Contact our team for information or an application form via sgsprodcert@sgs.com
- Complete and return the application form. The team will then generate an offer for you to review
- Upon receiving relevant documentation, our dedicated UK team will ensure a smooth flow of your assessment and ensure certification is delivered in line with your expectations.

SGS PPE CATEGORIES

Our experienced and dedicated team offer a wide range of certification services that include:

- Protective gloves
- Face masks
- Coveralls
- Helmets
- Fall arrest/climbing equipment
- Diving equipment
- Buoyancy aids
- Safety/protective shoes
- Eye/face protection
- X Ray protective clothing
- Sports protectors
- Body protectors
- Firefighting clothing
- High visibility
- And more!
