

HEALTH, SAFETY & ENVIRONMENT

COMMITMENT

SGS is committed to excellence in the area of Health, Safety and Environment, which are integrated into all aspects of our business services and customer delivery.

We expect all our contractors to take reasonable care of their own Health and Safety and that of others who may be affected by their acts or omissions.

All reasonable and practicable steps will be taken to protect contractors from foreseeable hazards and exposure to unacceptable risks whilst at work.

GOAL

No harm to people and no harm to the environment.

POLICY

- To ensure a safe working environment, safe working conditions and safe equipment for all our contractors.
- To ensure that our services are performed in such a way as to protect the environment and, where possible, assist clients to do the same.
- Ensure compliance with all applicable HSE legislation and other requirements to which we subscribe.
- Ensure contractors are consulted upon all HSE matters.
- Ensure HSE is communicated with all contractors with the intent that they are made aware of their individual HSE obligations.
- Establish, implement and maintain an effective HSE Management System
- Ensure HSE policy is made available to interested parties upon request.

PRE-MOBILISATION

- All contractors receive a HSE briefing
- Personal Protective Equipment (PPE) is verified to meet industry standards and appropriate for the working environment.

SAFETY IS AN EVERYDAY AWARENESS
