WHEN YOU NEED TO BE SURE

Ai

REASON

WHY

A close-up photograph of a hand placing a wooden letter 'Y' on a sandy surface. The letters 'W', 'H', and 'Y' are already in place, forming the word 'WHY'. The hand is positioned on the right side of the frame, with the index finger and thumb visible, holding the letter 'Y' in place. The sand is a light beige color and has a fine, granular texture. The lighting is soft and directional, coming from the upper right, which casts long, soft shadows of the letters onto the sand to the left. The overall mood is contemplative and focused on the act of questioning or seeking a reason.
