SGS has the right to postpone or cancel the scheduled training should the minimum required number of delegates has not been met.

Once training confirmation has been sent, no cancellation will be accepted. Otherwise, full course fee will be charged.

Payment should be done prior the start of the confirmed schedule.

Training location will be at SGS' preferred location in Kuwait.

Certificate will be provided within minimum 8-12 weeks after successful completion of the training.

Registration deadline: 10 days prior to the above-mentioned training dates.
