

SGS ETHIOPIA TRAINING SERVICES

ZDHC TRAINING COURSE

The Zero Discharge of Hazardous Chemicals (ZDHC) Academy has developed training courses and accredited training providers to conduct training for brands and manufacturers.

This training will enhance attendee's knowledge and build chemical management capability within the industry.

ZDHC TRAINING COURSES			
S/N	Training Services	Price per course/head (USD)	
		Certificate from organizers	SGS Certificate
1	Introduction of Chemical Management (two-day program)		
2	Top 10 Issues & Best Practices (one-day program)		

SDC TRAINING COURSE

The Society of Dyers and Colorists (SDC) Certificate of Competence is designed for anyone who works with ISO 105 Color Fastness Standards and is involved, directly or indirectly, with carrying out the tests and their assessment.

Effective and efficient testing and assessment is the key to success and efficiency in the textile industry and to delivering the right color, in the right place, at the right time, and of the right quality.

SDC TRAINING COURSES
